Memorial Day Parades Listing

On Monday, May 27, 2019 Falls Post #664 and other area American Legion and Veterans of Foreign War Posts will have several events to commemorate Memorial Day.

The ceremonies are as follows:

North Bloomfield Cemetery (at 8:30 a.m.): Memorial Day Parade will start marching from the corner of Quaker Meeting House Road and Ontario Street/Route 65. The service will include the reading of the Honor Roll, placing of a wreath, followed by Taps.

Mendon Cemetery (at 9:30 a.m.): The Mendon Parade formation will be at the Westminister Hall & Chapel (former Mendon Presbyterian Church) on Rt. 251, marching to the Mendon Cemetery for the service, followed by Taps, with the playing of the Star Spangled Banner by the Honeoye Falls-Lima Middle School Band.

Quaker Cemetery on Quaker Meeting House Road (10:15 a.m.): A brief service with the placing of a wreath.

St. Paul of the Cross Cemetery (at 10:30 a.m.): Marching in for the service, including the reading of the Honor Roll, placing of a wreath and followed by Taps.

Honeoye Falls Cemetery (at 11:30 a.m.): Formation at the Honeoye Falls-Lima High School, at the corner of East and Church Streets, for the parade through the village, to the Honeoye Falls Cemetery. A service will be held, with a wreath being placed, and followed by Taps. The Star Spangled Banner will be played by the Honeoye Falls-Lima High School Band. The speaker will be Colonel Mike Sweeney at this service and at the services in Mendon and North Bloomfield.

Lima Memorial Day Parade: The Parade in Lima will begin at 9:30 a.m. sharp with parade lineup at Lima Primary School on College Street. The parade will proceed to the Lima Town Hall where wreaths will be placed and a Memorial Service held in front of the town hall following the parade. All veterans are invited to march with the Lima American Legion Post #282 or Lima VFW Post #26.

Rush Memorial Day Parade: The parade is the 73rd annual parade. It will begin at 9:30 a.m. at the Rush Firemen's Field and proceed to the Rush Pine Hill Cemetery where there will be a service.

Scottsville Memorial Day Parade: Scottsville's Memorial Day parade steps off at 9:30 a.m. from TJ Conner Elementary School on Beckwith Avenue. The route proceeds down Rochester Street to Main Street to the Smith-Warren American Legion Post #367. There will be a ceremony there following the parade.

Barbara Fragale Displays Decorative Paintings at Mendon Public Library

Submitted photo

A new art display of painted birds is currently on display at the Mendon Public Library. Barbara Fragale, a resident of Rush, created these paintings. Fragale (pictured in the photo above with the paintings) explains that she draws inspiration from her and her husband's 12 acre "farmette" as well as the gardens and wildlife they see in Rush. The paintings Fragale chose for the Mendon Library display are all birds that were designed by her favorite teacher, Sherry C. Nelson.

A retiree of Kodak and Johnson & Johnson, Fragale's work life was spent in the life sciences departments. She explains that she always enjoyed art and spent lots of free time in high school in the art room. Her one college art class helped her figure out that she hated drawing homework with a deadline. Over the years, she pattered with ceramics, crewel, stained glass and painting on rocks. In 2003, she joined an art "club"

Lima Historical Society opens new exhibit

A New Summer Exhibit at the Tennie Burton Museum, home of the Lima Historical Society, will open on Memorial Day, May 27, 2019. The exhibit is "One Hundred Years of Hats Made and Worn in Lima."

The museum will be open on Sundays 2-4 pm- June through end of September.

This entertaining and educational exhibit of ladies' and girls' hats dating from the mid 1800's through the mid 1900's showcases Lima's Tennie Burton Museum's extraordinary collection of historic headwear and beaded purses, as well as original old photos of Lima women posing proudly in their beautiful hats. Come and see how drastically hat styles changed throughout that century, when even in a small town like Lima, women followed national and international trends in clothing, hairstyles and the sometimes elaborate hats that complemented them. The exhibit opens after the parade on Memorial Day (10 to 12) and every Sunday this summer from 2 to 4 pm.

Cub Scouts finish service project in Scottsville

Cub Scout Pack 140 recently helped install a clothing dropoff shed in the parking lot of Scottsville's Union Presbyterian Church (Browns Avenue). The church and the troop worked together to obtain all of the approvals to place the St. Pauly Textiles shed on the property. The scouts will manage and clean it. St. Pauly organization is the largest clothing collection organization in the region. The group aims to get usable clothing to people who can use it, here in the US and in developing countries. The scouts will use proceeds from their efforts hosting the shed in order to fund troop activities.

Scottsville Garden Highlight: Kathleen's Backyard Zen

BY JENNIFER CROWLEY

Spend some time in Scottsville around this time of year and if you aren't intrigued by the historical architecture so visible on Rochester Street, or lulled by the lush green canopy overhead on Browns Avenue, then possibly the sheer number of well-tended gardens may catch your eye. They certainly did mine when I first moved to the village in 2011. As someone who lacks a green thumb and any interest in obtaining one, I find pleasure in other peoples' labors of garden love.

Given the variety of local gardens within walking distance of my own home, I decided a spring/summer series on these beauties was in order. But where to begin? To answer that question I turned to Richard King Leroy and Jim Lesch. These longtime Scottsville gadabouts happen to have magnificent green thumbs as evidenced by the closest thing to a Victorian garden I've seen. After some consideration, the

Kathleen's corner front garden includes spring flowering bulbs and creeping phlox, a millstone fountain and several unique conifers. Once the spring flowers fade, it has a purple and yellow theme with yellow Lantana and Liriope circling the fountain and Purple Hyacinth Beans covering the trellis. Photo by Jennifer Crowley

A VIEW OF THE FALLS

BY MAYOR RICK MILNE

Festival on the Green to be retooled this year

After many years of having a wonderful festival at Harry Allen Park during Father's Day weekend, known as the “Festival on The Green”, this year the traditional festival will not take place. On behalf of the Village Board of Trustees, we thank all those wonderful people who have served in some capacity to continue this festival in the past. Unfortunately, many on the committee just couldn't commit to the time this festival took to prepare.

It is my hope that we can create a new committee and begin plans to develop a new path to create a signature festival for all to enjoy, a festival that will showcase our wonderful community and

bring people from many areas to our Village. I would welcome anyone that would be willing to begin this process and serve on such a committee to come forward and help develop this. Contact us at (Village@VillageofHoneoyeFalls.org) if you're interested.

This year, to keep activity within the Village on Father's Day weekend, we will still have our fireworks display on Friday, June 14th at the Fireman's Field on Monroe Street. We are hoping to solidify music and possibly a food truck that evening as well.

On Saturday, June 15th, we will continue the pancake breakfast at Harry Allen Park. This breakfast will be sure to please all those that attend as it is always well attended! We will then continue with music at Harry Allen Park throughout the day. A schedule will be completed shortly but currently we have musicians Mike Pappert, SQUID, and the HFL Jazz Ensemble playing and the Honeoye Falls Community Concert Band culminating the music Saturday evening.

And don't worry about eating. The Mason's will be cooking food and you'll be able to enjoy a full day without ever leaving Harry Allen Park! Please watch for advertising and postings locally and in the Sentinel for a complete detail of the Honeoye Falls Music Festival on The Green – starting with Fire Works on June 14th and the pancake breakfast and music at Harry Allen Park on Saturday, June 15th.

Skyler Smith's Tour of Mendon: MENDON CYCLESMITH

CRAIG

SKYLER

BY SKYLER, DEB & TIM SMITH
RESET – Last week I left you in Ionia at the Mendon Cyclesmith. This is not your average bike shop, which can be evidenced by what I think is the most bizarre bike store stat ever. Craig Smith's bike shop does 65% of its business through the mail!

The suggestion to write about the Mendon Cyclesmith actually came to me through an email and part of the message said that Smith does “more than half of his business through the mail”. I remember thinking to myself, “How can that be?” So when Deb, Dad and I went to do this interview, that concept was my lead question.

The answer, while still a bit surprising, does make sense. Craig is apparently the world's guru in the repair of the Cannondale Lefty mountain bike. Pay attention to this explanation because even

after hearing about it, I had a little trouble visualizing the concept until I saw it in person.

You know how a standard bike has that metal fork extending down from the handlebars to the front wheel? And that metal fork initially extends downward as a single shaft, before dividing into a fork so it can go around both sides of the tire. On a Cannondale Lefty the metal shaft extends down, but it does not fork in two directions, it only connects to the axle on the left-hand side. Or, in other words, a Lefty has no righty.

In writing this piece, I was challenged with mastering the parlance of the bicycle world in order to explain the pertinent concepts to my readers as clearly as possible. While fact checking, I sent Craig some questions and the answer he returned to one of them had Deb, Dad and I laughing so hard we felt it should be included in the article.

My question was, “In bicycle jargon, is there an official name for that metal shaft that comes down from the handlebars to connect with the front wheel?” I share Craig's answer below equally for the educational as well as the entertainment value. Craig said, “They are known generically as forks. Ones without suspension, are rigid forks, ones with, are suspension forks. While the Lefty is technically a “strut”, since it only has one leg, they are still just called “forks”, because it confuses people if you move their cheese.”

The expression which we laughed at, that we had never heard before, was the idea that folks do not like change because, “It confuses people when you move their cheese.” I'll ride back next week to finalize the details on how in the world a small town cycle shop can be doing 65% of its business through the mail.

Final Mendon Foundation Bird Walk scheduled

Bird lovers, families, and hikers come and join us for the final bird walk in Sibleyville. Geoff Gretton and Connie Kellogg, long time bird enthusiasts, will lead the walk. Identify and observe a variety of birds by song and sight.

The final walk is May 25th at the Sibleyville Nature Reserve – Mendon Foundation Property. Take 15A to Plains Road. The parking lot will be about 2/10 of a mile on the right off Plains Road.

Meet at 7:45am sharp. The walk begins at 8:00 am. This is the best time of day to see the birds feeding. Grammar school children and older are invited to come. Please e-mail Jaye Knight at jaye81k@gmail.com if you need directions or additional information.

The Carosa Commentary

Heah Come Da (Hamburger) Judge!

It was a driving rain, which is actually OK if you're driving in it. Which I was. But soon wouldn't be.

I snaked through the meandering roads of the expansive Onondaga Community College campus, peering through the rain-fogged windows desperately searching for "Visitors Parking" between Lot 6 and Lot 7. The place was packed with cars.

Suddenly, the brake lights of a small foreign car parked ahead blinked on. I had my chance. The vehicle backed out and sailed away. I quickly maneuvered to seize the empty space. But, before I could pull in I slammed on my own brakes.

At the end of the spot stood an ominous sign. It warned "30 minute parking only."

I was already late. It was 2:45pm and I was told the event wouldn't end until 7:00pm at the earliest. Should I risk getting a ticket or find another space somewhere in the hinterland of Lot 7? The steady drumbeat of dropping plops made the decision for me. I pulled into the newly vacated spot.

I turned the car off and sat for a moment. I eyed the downpour splashing against my now translucent windshield. I eyed the distance between my car and the nearest door to the Gordon Student Center. Finally, I eyed my nice blazer and the tie I wore (one of my favorites). I sighed and accepted my fate.

Time to jump into the deep end.

Zippering up my raincoat, I flipped its hood over my head, opened my car door, and, in one simultaneous move, slammed

the door shut and darted for the campus center. I ducked inside and immediately asked how I might find the Stone Wall.

"Take the elevator down to the first floor then head on straight to the end of the hallway. It's on your left."

Now, before you get your knickers up, the eatery is named for the floor-to-ceiling stone wall

at its entrance. Walking in, I was immediately greeted with Jean O'Toole's beaming smile. Jean's the Executive Director of the New York Beef Industry Council. She had organized the "Best NY Burger" contest and the finalists were cooking their concoctions in the restaurant even as I entered.

When Jean found out I wrote the book on the history of the hamburger (*Hamburger Dreams: How Classic Crime Solving Techniques Helped Crack the Case of America's Greatest Culinary Mystery*, Pandimensional Solutions, Inc., 2018), she immediately did two things. First, she bought the book and read it. Then, she invited me to be a judge in the contest.

As I ambled into the cavernous (thanks to the stone wall) restaurant, I couldn't help but think of comedian Flip Wilson's popular "Here comes da judge" bit. I sang it in my head.

Heah come da judge...

Heah come da judge...

Ya betta watch out...

cuz heah come da judge...

da Hamburger Judge!

(OK, I added that last part.)

Jean introduced me to the other judges. The first was Daniel Berman of Albany who's a local food blogger. Dan's snappy *Fussy Little Blog* is a worthy read, even if you aren't in a position to know

the domain name *BurgerMonth.com* before anyone else.

Finally, the last judge was Kenneth Krutz. He's the general manager of Empire Livestock Marketing. I'm sure he, like many other red-blooded Americans, cooks hamburgers, but he was the only one among us to actually make hamburgers. Hamburgers on the hoof, that is. Talking to him, I imagined myself in some John Wayne movie, guiding a herd of steers up the Chisholm Trail for auction in Kansas City.

All the other judges had hands-on experience in the hamburger industry. Except me. I was merely the "Hamburger Historian." So, when the first of eight burgers came to our judging table (two of the ten finalists couldn't make it), I'm sure you could understand what was going through my mind.

What was I doing here? I felt like I was out of my league. One of the other judges asked for my favorite hamburger recipe. All I could respond was, "My mother's the home economist in the family. I'm just the taste tester."

I did, however, know enough not to eat the entire burger, but to merely take 2-3 bites. The officials provided us with a knife and a fork, so I was able to surgically remove portions of the servings' core to ensure each bite contained all the ingredients offered.

Each burger was given a number, not a name. We didn't know the actual contestant. Anonymity helped prevent any direct or indirect bias for our local

entries (Syracuse and Rochester both had two entries and Albany had one). For example, I knew CB Craft Brewers had an entry, but I didn't know which one it was.

All the burgers were delightful. The only downside was the requirement they all be cooked to a minimum of 165°. The judges preferred medium rare. We liked our burgers nice and juicy!

It turned out we also liked the CB Craft Brewers, too (it's scored in the top 4, making it eligible for a prize visit). Called the "MacBubba Burger," it contains everything – and I mean everything. Think garbage plate on a burger. Normally I don't like garbage plates, but this burger was amazing. All the different tastes blended together and complimented each other very well. If you haven't tried one, you should.

For the second year in a row (albeit with a different entry), the winning burger came from the Ale 'n Angus Pub in Syracuse. Called the "Beef on Weck" burger, it's literally a Beef on Weck with a hamburger foundation. This is an example of the "meat-on-a-burger" concept popular in Syracuse.

Besides the mandatory Kimmelweck roll, it's served with a homemade horseradish sauce and cheddar cheese. It tastes like a hearty (but delicious) Beef on Weck. Owner Randy Beach came up with the idea because a lot of Buffalo people come to watch the Syracuse Crunch.

For this hamburger historian, The New York Beef Industry Council's Best NY Burger contest proved to be a most tasty slice of history.

gentlemen literally pointed me in the direction of Kathleen Rick (she lives just doors down from me).

Many around town know Kathleen as a yoga instructor – she teaches a class geared towards elders to help maintain their strength and mobility. I first met Kathleen earlier this year when I toured the Wheatland Senior Center where she works. She's an energetic and bubbly 64-year-old and frankly now it all makes perfect sense she is the caretaker of a garden I've admired all these years.

Earlier this week Kathleen was gracious enough to talk to me about her hobby and why it brings her such joy.

JC: So, what's in your garden this year?

KR: Lots of perennials, a few annuals, Redbud trees, a Lilac bush, lots of other shrubs, a fountain (and hopefully another one soon), some conifers, lots of Hostas. I'm hopeful to plant some vegetables if it ever dries out!

JC: How has the wet weather affected plants this season?

KR: Well, everything is getting a much slower start than normal, but on the bright side, the spring flowers have lasted way longer than usual and it's amazingly green everywhere that I look!

JC: What is a safe bet to plant around here?

KR: Hostas do really well in our clay soil but honestly I haven't

really had problems with anything.

JC: So, how did you get your green thumb?

KR: Inherited. I grew up on a farm in Branchport. We grew many crops, including grapes. My mother tended a one+ acre veggie garden, along with lots of flowers.

JC: What are your favorite flowers and plants?

KR: Hmmm, that's a tough question! I'm never ceased to be amazed by the variety of flowers, their growing habits, what happens when they self-seed, and so forth. I guess my favorites would include Solomon's Seal (a perennial), and I love Beebalm for all the critters that it attracts, and then Bleeding Heart for its intricacy.

JC: What do you do when you aren't teaching yoga, at the Senior Center, or in your garden?

KR: I'm a Master Gardener with Monroe County Cooperative Extension. We are affiliated with Cornell and do our best to beautify and educate our community. I am also active with the Henrietta Garden Club. I served as its president for six years but now I coordinate the annual plant sale and manage publicity. I'm thrilled to say the sale was last week and our club netted \$3,060 in 5 hours!

JC: Who has a garden that you envy?

KR: Gardens always fascinate me because each one is so individual and personal. I always tend to enjoy those planted and managed by homeowners over those maintained by a service

or a gardener. Anyone can hire someone! My favorite anywhere is on Winton Road North, owned by Jerry Kral. He has done all of the work himself and it's on a completely different level than anything that I've ever seen. More locally, you can't beat the serenity you feel touring the oasis that Jim (Lesch) and Richard (LeRoy) have created.

Know a garden or a green thumb worthy of a visit? Give me a shout!

HF-L girls lacrosse wins three straight

BY DONNA MACKENZIE

The Honeoye Falls-Lima Girls Varsity Lacrosse team snapped a two-game losing skid with victories to end last week, including one over an old rival.

HF-L began the week with a heartbreaking overtime loss, 12-11, to Webster Thomas on May 6. Thomas jumped out to a 7-4 lead by halftime, but this game turned in a big way in the second half. With 17 minutes remaining and trailing 10-5, the Lady Cougars put on a show in front of their home crowd as they erupted for six straight goals to go ahead 11-10. Unfortunately, Webster Thomas tied the game with .5 seconds left in regulation to pop the Cougars' bubble and then netted the game-winner in overtime. Lexie Ruff registered three goals, Emma Calcagni three goals, Whitley Easton two goals and one assist, Eliza Wild two goals, Brooke Buckland one goal, MacKenzie Camp two assists, Caylin Perryman one assist and Maeve O'Brien one assist. Raelynn Bovenzi handled two saves and Ana Youngblut three saves. O'Brien and Calcagni each caused two turnovers while Bovenzi and defender Mackenzie Bushnell caused one turnover each. Calcagni and Wild each scooped up three ground balls.

"It was really a tale of two halves or actually more like 33 minutes and 17 minutes," coach Kevin O'Connell said. "After they outplayed us the first 33 minutes of the game, we outplayed them the last 17 minutes. We dominated the last 17 minutes, but were unable to finish the game off and made some late mistakes that cost us."

The Cougars must have still been reeling from that loss as they struggled in a 15-6 setback to Canandaigua on May 8. Ruff scored twice in the first half, including the first goal of the game, and Wild once but that was all the offense could produce as the club wound up trailing 8-3 at halftime. Back-to-back goals by Liddie Hoare and Perryman closed the gap to 10-5 with 11:21 left in the game, but the squad never got closer. Ruff recorded three goals, Wild one, Hoare one and Perryman one while Buckland added one assist. Bovenzi made three saves and Youngblut one.

"Canandaigua is a good team," O'Connell said.

HF-L routed old rival Penn Yan 13-4 on May 10. The Cougars ignited on offense early with Camp netting the first goal and Calcagni the second to open a 2-0

HF-L's Kenzie Camp dodges two Pal-Mac defenders as the Cougars beat Pal-Mac 9-8 last week. Photo by Donna MacKenzie

lead. After the Mustangs scored, HF-L rattled in six straight goals for an 8-1 halftime lead. Calcagni scored again while Ruff fired in two goals, Easton one and Wild one. The Cougars never let Penn Yan get back into the game as they continued to dominate the second half. Ruff popped in four goals with one assist, Buckland two goals and two assists, Camp two goals and one assist, Calcagni two goals, Easton one goal and one assist, Hoare one goal and Wild one goal. Bovenzi stopped six shots and Youngblut five.

"Possession-wise, the girls played very well," O'Connell stated. "Penn Yan has a storied history and we have a great rivalry with them. They are down a bit this year, but they wanted to play us and it was a good win for the girls."

The Cougars kept their winning ways with a 13-4 thrashing of Churchville-Chili on May 11. HF-L blasted off like the planes in the movie Top Gun as it soared to a 5-0 lead before the Saints got on the board. Calcagni, Wild (two straight goals), Camp and Ruff staked the Cougars to that advantage. After Churchville scored, Buckland ripped home the team's sixth goal and it went on to an 8-3 halftime advantage. Ruff and Wild each tallied three goals, Easton two goals and one assist, Calcagni two goals, Perryman one goal and one assist, Camp one goal and one assist and Buckland one goal. Bovenzi made five saves and Youngblut four.

"That was another good win for us," O'Connell said. "Our defense of Mackenzie Bushnell, Jenna Erb and Winnie Hotchkiss played a great game."

HF-L edged Palmyra-Macedon 9-8 on May 13. The Lady Cougars had a good start

as Calcagni and Hoare both had early goals. HF-L held a 6-5 lead at halftime and the game was back and forth all night. Buckland notched the game-winning goal with 14.7 seconds remaining in the game. The club made the most of its 8-meter penalty shots, burying seven of them. Buckland, Calcagni, Hoare and Ruff all had two goals. Perryman chipped in one goal and Easton one assist. Bushnell led the defense with three caused turnovers. Calcagni also caused three turnovers while Erb and Hotchkiss caused one each. O'Brien picked up two ground balls as did Wild (one caused turnover). Bovenzi stopped six shots in the first half and Youngblut three in the second half.

"Brooke was hit on her first attempt at the game-winning 8-meter shot, so that gave her a second attempt and she responded by beating a very good goalie," O'Connell said. "We played a very good Pal-Mac team with three fine players and Pal-Mac is the number one seed in Class D."

The Cougars concluded their league season with an 11-8 loss to Hilton on May 15. HF-L trailed 7-3 at halftime. Calcagni tallied the first goal, Perryman the second and Wild the third. Ruff and Wild scored the first two goals of the second half and pulled the Cougars to within 7-5, but that was as close as the Cougars would come. Wild racked up three goals, Perryman two, Ruff two and Calcagni one. Calcagni also tallied four ground balls and caused three turnovers. Bushnell caused three turnovers, Hoare one, Bovenzi one and O'Brien one. O'Brien scooped up two ground balls and Hotchkiss one. Bovenzi handled three saves and Youngblut one as the duo split time in goal.

"We were on a three-game win streak going into the Hilton game, but it was senior night for us and there was a lot of emotion," O'Connell said. "We got out to a slow start. We scored the first two goals of the second half to pressure Hilton a bit and pull within 7-5 with 19 minutes left in the game, but Hilton responded to that pressure."

HF-L received the #1 seed in the Section V Class C Tournament and played #4 Geneva on May 23 in the semifinals.

HF-L Unified Teams involved in some close games

BY DONNA MACKENZIE

The two Honeoye Falls-Lima Unified Basketball teams were involved in close games this week with HF-L Team 1 pulling out a three-point win in its first game of the week and HF-L Team 2 taking a seven-point win in its first game and a two-point victory in overtime in its second game.

HF-L Team 1 defeated Gates Chili 38-35 on May 14. Gates jumped out to a 10-6 advantage after the first quarter, but the Cougars caught fire on offense in the second period to seize a 21-19 lead at halftime. Gates held the Cougars to only six points in the third quarter as it regained the lead, 30-27, going into the final stanza. HF-L made some clutch shots in the fourth quarter and turned up its defensive intensity to take the win. Luke Kosciol led the way with 11 points and seven rebounds. Jon Templeton popped in 8 points with seven rebounds and five assists. Damien Williams registered 7 points and six rebounds. Shalyn Inbounne garnered 5 points, 10 rebounds and three assists. Adam Johnson produced 3 points, Will Weiss 2 and Quinn Ackerman 2.

"Coach Cory Quinter said both teams played great defense," coach Jim Arrigenna said. "He said that Team 1 made a couple of clutch baskets and also made seven free throws for the game."

HF-L Team 2 played at Newark on May 14, earning a 44-37 win over the Reds. The Cougars bolted to a 12-8 lead after the first quarter and maintained a 20-16 halftime advantage. HF-L was ahead 30-26 following the third quarter. Matt Fanghanel paced the team with 12 points and seven rebounds. Kristopher Hernandez tallied 10 points, Tanner Kennedy 6, Jack Martin 4 points and six rebounds, Morgan Shaw 4 points, Luke Ishman 2, Megan Owens 2, Claire Santucci 2 and Gabby Redman 2.

"Kris and Tanner had great games," Arrigenna said. "The game was close the whole way. We got our offense going in the fourth quarter. We pushed our lead up to 9-11 points and then held on after

that. The other key factor was that it was our fourth straight game with fewer than five turnovers."

Cougar Team 1 dropped a 61-39 game to East on May 16. The clubs were locked in a 16-16 tie at the end of the first quarter. East forged ahead in the second period to take a 33-22 halftime lead. East extended that advantage to 50-35 after the third quarter. Templeton rang up 11 points, Williams 10, Kosciol 6, Makenna Pitt 4, Inbounne 3, Ackerman 2, Mikaela Jacopille-Bornheimer 2 and Weiss 1. Inbounne grabbed five rebounds.

"East made eight 3-pointers, exploding in the middle of the second quarter," Arrigenna said. "They are one of the best teams we've seen in five years of play."

Cougar Team 2 edged Canandaigua 47-45 in overtime on May 16. HF-L jumped out to a 15-13 lead in the first quarter and expanded that to 24-21 at halftime. The Braves, however, ignited their offense in the third period and grabbed a 31-29 advantage going into the final stanza. The squads were locked in a 41-41 tie at the end of regulation. Casey Dolan won the game for the Cougars, making a pair of free throws with 1.4 seconds left in the game. Dolan drained 14 points with 12 rebounds. Zack Nye scored 10 points with four rebounds and six assists, Shaw 8 points, Fanghanel 6 points and five rebounds, Martin 3 points and eight rebounds, Ishman 2 points, Santucci 2 and Kennedy 2.

"Both teams were undefeated going into the game," Arrigenna said. "It was one of the most competitive games that I have been a part of. Both teams had five point leads; we led 19-14 in the second quarter and they led 36-31 in the fourth quarter, but that was the most either of us led by. We made enough plays at the end to win and went 7-of-10 from the free throw line."

The two Cougar teams ended their seasons with home games on May 21 and competed in the Unified Programs Culminating Tournament on May 22.

HF-L boys tennis captures two wins

BY DONNA MACKENZIE

The Honeoye Falls-Lima Boys Varsity Tennis team advanced its win total to 10 as the Cougars picked up two more last week.

HF-L defeated Irondequoit 5-2 on May 16. TJ Langley shut out his first singles opponent by 6-0, 6-0. Josh Vogt earned a shot to play singles and notched a 6-0, 6-0 win in second singles. Thomas Connolly won 6-0, 6-1 at third singles. Aidan Crego also played singles in this match and collected a 6-0, 6-0 win over his fourth singles opponent. Jack Schaubert and Roan Torpey lost 6-4, 6-3 to their first doubles opponents. Ben Houle and Henry Shields lost 6-3, 6-2 in second doubles. Nick Burch and Jacob Derby received a forfeit for third doubles.

"We played Irondequoit early in the year and I wanted to give some of the kids an opportunity to play at a different spot than usual and give other kids a chance to play," coach Steve Rapp said. "The kids really stepped up and I thought Ben and Henry played well in their first and second times to play this season."

The Cougars (10-3) edged Spencerport 4-3 on May 17. Langley pulled out a 6-7, 6-2, 7-6 (7-5 tiebreaker) win at first singles. Adam

LCS baseball earns first win

BY DONNA MACKENZIE

The Lima Christian Varsity Baseball team waited a while for its first win of the season, but it came last week against an old rival.

LCS bowed 10-2 to Avoca on May 3. The Saints scored a run in the fourth inning and one in the fifth. Noah Giunta was 1-for-2 and scored a run. Kasey Gilbert finished 1-of-2. Jonathan Gretzinger walked and scored a run. Gilbert, Jacob Appleton, Gretzinger and Shane Welch all pitched a few innings and combined for seven strikeouts.

The Saints gave C.G. Finney a battle before falling 5-4 on May 9. Lima scored two runs in the third inning, one in the fourth and one in the seventh. Appleton went 1-for-3 and scored a run. Giunta finished 1-for-4 with one run batted in. Gretzinger and Jaden LaBarca each cracked one hit and scored a run. Nate Herring added one hit. Evan Herring drew a walk and scored a run. Gilbert picked up an RBI on a sacrifice. Gilbert, Appleton, Gretzinger and LaBarca combined on the mound and the group totaled six strikeouts.

Avoca defeated the Saints 13-2 on May 11. Lima plated a run in the second inning and one in the fourth. Appleton went 2-for-2. Gilbert was 1-for-2 and scored once. Gretzinger chipped in one hit and scored a run. Appleton, Gretzinger and Gilbert combined to pitch the game and recorded three strikeouts.

Lima fell to Lyndonville 15-3 on May 16. After the Tigers scored eight runs in the first inning, the Saints scored twice in the bottom of the inning and one run in the second. LaBarca and Appleton both walked. Following a fielder's choice that advanced both runners, Giunta crushed a pitch to the center field fence, a long single that scored both LaBarca and Appleton. In the second inning, Ethan Drew walked, Zeke Sonoga walked and Graham Consul walked. Welch then drew a walk that scored Drew. Appleton was 1-for-1 with a run scored, Giunta 1-for-3 with two

RBI, Welch 1-for-3 and LaBarca one walk and one run. Drew walked three times and scored once. Appleton (three strikeouts), Welch (three strikeouts) and LaBarca pitched.

Bradford topped the Saints 18-2 on May 17. LCS scored both runs in the third inning. LaBarca was 3-for-3 with one RBI, Drew 1-of-2 with a run scored and Nate Herring 1-for-2. Consul reached base on an error and scored a run while Welch had an RBI on a sacrifice. Welch (one strikeout), Nate Herring (one strikeout), Gilbert (one strikeout), Appleton, Giunta and Evan Herring all pitched.

The Saints won their first game of the season, 7-6, over Northstar in the first game of a doubleheader on May 18. Lima Christian scored three runs in the first, three in the second and one in the third. Northstar scored one in the third, one in the fourth and four in the seventh. Appleton finished 3-for-4 with two runs scored and two RBI,

Gilbert 2-for-4 with a run scored and two RBI and Welch 2-for-2 with two runs scored. Drew added one hit and one run scored, Evan Herring one hit, LaBarca a walk and a run scored and Caleb Welker two walks. Appleton got the win with help from Welch (two strikeouts), Evan Herring (one strikeout) and Gilbert (one strikeout and got the save).

"The kids played very well and were patient at the plate," coach Ron Gilbert said.

Northstar defeated the Saints 11-4 in the second game on May 18. Lima scored three runs in the first and one in the fifth. Appleton went 2-for-4 with a run scored. Nate Herring added two hits. Giunta ended up 1-for-3 with a walk and two runs scored. LaBarca chipped in one hit and a run scored and Welch one hit and one RBI. Welch (two strikeouts), Nate Herring (two strikeouts) and Gilbert (two strikeouts) pitched.

LCS ended the league season with four games this week.

HF-L girls track rolls up 44 points at county champ.

BY DONNA MACKENZIE

The Honeoye Falls-Lima Girls Varsity Track team did not send a huge group to the Monroe County League Championship on May 18, but the Lady Cougars did pretty well as they took fifth by compiling 44 points at the meet.

While the team did not notch any first or second places at the championship, HF-L did have a few third-place finishers. Casey Walike came in third in the 3000 meters with a time of 10 minutes, 56.88 seconds. Rachel Roof soared 10 feet for third in the pole vault while Rachel Sequeira vaulted 8 feet for 10th. HF-L's foursome of Teagan Kamm, Tessa Bradley, Ella Henzel-Cronin and Jada Balmer finished in third with a time of 10:04.66 in the 3200 relay.

"That 3200 relay time was better than our previous best this season by 20 seconds and that was without Casey Walike and Maria Larsen in the relay because we wanted the two of them to concentrate on other events, so we put in Teagan and Tessa who had been in the JV county meet," coach Megan Mansfield said. "As long as Teagan and Tessa had not competed in a relay at the JV Counties earlier in the week, they could run in a relay at the Varsity County meet. That time was really impressive."

Ciarra Franz clocked 16.62 seconds for fourth in the 100 hurdles. Maria Larsen posted an 8:07.45 for fifth in the 2000 meter steeplechase. The quartet of Lauren Cody, Brynn Mooney, Rachel VanderVen and Kennedy Martin came in fifth in the 1600 relay (4:16.09). Sequeira placed

fifth in the long jump with a leap of 16 feet, 3.25 inches, fifth in the triple jump at 35-3.5 and seventh at 4-8 in the high jump. Lauren Cody was sixth (16-2.25) in the long jump. Kellan Gillis threw the discus 89 feet, 3 inches for eighth and Sarah Moon had a toss of 86-3 for 10th. The Cougars group of Cody, Brigitte Koharski, Mooney and VanderVen finished ninth in the 400 relay in 52.95 seconds.

"Our 1600 relay ran the program's fastest time in that event since the state qualifier in 2014," Mansfield stated. "The team and I were really pumped by that performance. The 400 relay also ran the program's fastest time in that event since 2014."

Cody claimed 12th at 27.123 seconds and VanderVen 13th at 27.129 in the 200 meters. Balmer ended up 12th (2:33.60) in the 800 meters. Franz was 19th in the 100 meters at 13.24 seconds. Gillis placed 22nd (27-5.75) and Moon 25th (27-3.25) in the shot put.

"The girls' team score was better than what I had expected and there were a lot of personal records at the meet," Mansfield said. "Rachel Roof hit the state standard in pole vault at 10 feet and that is the first time she hit that mark. Lauren and Rachel VanderVen both had personal records in the 200 meters and also in the long jump. Kellan set personal records in both the discus and shot put. Ciarra did really well in the 100 hurdles, coming back from an injury."

HF-L competes in the Section V Class B Championship on May 25.

Tripi defeated his second singles opponent by 6-4, 7-6. Will Tomaszewski rallied to take a 6-7, 6-4, 7-6 (11-9 tiebreaker) win in third singles. Connolly lost 6-0, 6-0 at fourth singles. Derby and Vogt bowed 6-4, 6-4 in first doubles. Crego and Schauer lost 6-1, 6-2 to their second doubles opponents. Burch and Shields prevailed 6-7, 6-4, 6-2 at third doubles.

"The win over Spencerport was a signature win," Rapp said. "We played them early in the season and lost 4-3. Turnabout was fair play as this time, we were down 3-1 with TJ's, Will's and the third doubles' matches not yet finished. TJ and Will came in with victories in their matches and then Nick and Henry won their point against a very good Spencerport doubles team."

two event winners at the Monroe County Championship with one of them being an ultimate athlete as he competed in five different events at the meet.

HF-L accumulated 39 points for ninth at the Monroe County Championship on May 18. Matt Volkman-Lien won the discus as he unleashed a throw of 130 feet, 5 inches and was sixth in the shot put (44-3). Nate Grey was right behind Volkman-Lien in the discus with a toss of 128-7 for second and 37th in the shot put (36-2.25).

Cole Siewert compiled 3,047 points to win the pentathlon as he won the 110 hurdles event in 16.20 seconds, won the high jump with a leap of 5 feet, 11.5 inches, then took sixth in the shot put with a 29-5.25 toss, won the long jump with a leap of 20 feet, 0.5 inches and finally was third in the 1500 meter run in 4 minutes, 43.37 seconds.

"Cole had a great start in the pentathlon by winning both the hurdles and high jump," coach Bernie Gardner said. "Matt and Nate also had great performances to go 1-2 in the discus."

Cameron McDaniel posted a 10:07.20 for third in the 3000

meter steeplechase and a 1:04.11 for 17th in the 400 hurdles. Jake Lehning clocked 2 minutes, 2.88 seconds for seventh in the 800 meters while Wyatt Hulsey ran a 2:06.98 for 18th in the event. Aidan Goold covered 39 feet, 3 inches for 10th in the triple jump. The quartet of Goold, Jack Hulsey, Joaquin Riley and Lehning ran a time of 3:48.19 for 11th in the 1600 relay.

Philip Ackerman cleared 11 feet, 6 inches for 12th in the pole vault while Jack Hulsey also topped 11-6 for 12th, but needed more attempts to do so. Tony Ennis was 26th in the pole vault (10-0). The group of Marcis Scroger, Caleb Gregg, Riley and Goold combined for 47.22 seconds and 14th in the 400 relay. Turner Wilson placed 16th with a throw of 110-3 in the discus and 39th with a throw of 35-2 in the shot put. Jordan Roberts was 18th with a throw of 109 feet in the discus and 27th with a toss of 37-7.5 in the shot put. Teddy Warfle finished 20th (4:44.79) in the 1600 meters. Ahren Spaker was 38th (10:47.49) and Ryan Dailor 46th (11:09.96) in the 3200 meters. Sam Tvrdik ended up 21st (38-11.75) in the shot put.

The Schuth Letters and The Great War (Part XX)

This column has traveled a journalistic half-marathon of six months. From last Veterans Day, when participants in our nation's military were honored, to next week's Memorial Day, remembering the dead from all of our wars, the writer used Pvt. 1st Class George Schuth and an elaborate supporting cast to describe, in convoluted detail, the First World War.

Since that dark era, Father Time has marched resolutely onward, putting one hundred years in our rear view mirror. While these closing notes on the matter are many and varied, mundane to momentous, picture in your mind's eye the setting and mood as America turned the pages into the 1920s.

Together again (1920):

(courtesy Harold Joint)

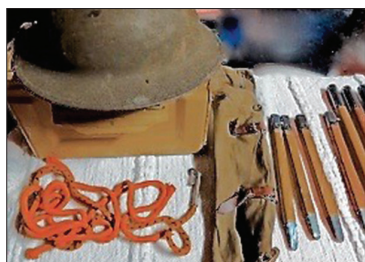

Celebrations, in community after community, welcomed home all who served; Mrs. Harriet Fairchild, of a locally prominent clan, placed her framed certificate on the parlor wall, acknowledging her fund-raising work for the war effort; Herman Burmeister, fresh from the aviation corps, and Mildred Holfoth (not to mention many other couples), applied a patriotic flavor to their wedding day; a list of articles discharged officers and enlisted men could keep, included helmets, canteens and gas masks; or cemeteries near and far, and the debate over whether those killed in battle should stay where they died in perpetuity.

The U.S.A.'s top man in the war, General John 'Black Jack' Pershing, stood squarely in the path of Gold Star families, as the *HF Times* stated: "General Pershing has expressed the opinion that the bodies of American soldiers, who died abroad, should be left near where they fell. He said the graves of our soldiers constitute, if they are allowed to remain, a perpetual reminder to our allies of the liberty and ideals upon which the greatness of America rests." Fortunately, it wasn't a direct order.

Doubtless the military cemeteries of Western Europe are works of art, while giving tribute to those who sacrificed for the cause. Add the Second World War and tourists can devote all their vacation time and money in exploring Europe's military burial grounds that are also rife with gardens and grandiose edifices. Lima's Francis Dalton remained at the immaculate Aisne-Marne American Cemetery in France, but, as with North Bloomfield's Fred Bennett, there was no place like home.

Perhaps you didn't know that two of the most powerful icons of our nation's military sacrifice are the red poppy and the *Tomb of the Unknown Soldier*. While both concepts were products of this war, neither practice was incubated in the American psyche.

Inspired by Canadian military surgeon, John McCrae's poem, "In Flanders Fields," the poppy became synonymous with Memorial Day. "In Flanders fields the poppies blow; Between the crosses, row on row..."

explains the glass bridge at Kansas City's *National WWI Museum & Memorial*.

A see-through floor, over a 'Flanders Field' of 9,000 poppies (each equal to 1,000 war dead), leads into one of America's greatest museums. When a member of the American Legion (founded in 1919) or the Veterans of Foreign Wars (1899) offers a poppy, it's not for sale, it is to prompt a donation for veterans assistance programs.

Newspaper blurbs stated, without great fanfare: "On November 7th, 1920, in strictest secrecy, four unidentified British bodies were exhumed from temporary battlefield cemeteries at Ypres, Arras, Aisne and Somme." These words opened the door to the lore of *The Tomb of the Unknown Soldier*. The choice of one casket, moved to the great hall of London's Westminster Abbey, became Britain's unknown soldier.

BEST RACING EVER

(Honeoye Falls Times, Sept. 25th, 1919)

The very next year, the United States followed suit. Today, visitors flock to Arlington Cemetery to observe a lone sentry guarding the Tomb of the Unknowns. His or her movements are robotic, but all too impressive. The plural refers to three wars... I, II and Korea... while the Viet Nam unknown was identified with DNA testing and, as a result, the practice of adding unknown soldiers was ended.

Excuse the writer for having frequently drifted from home turf, since the largest events (forest fires) are kindled by the smallest ones (a cigarette butt). Places like Rush, and Lima, even the hamlet of North Bloomfield, staged welcome home shindigs. Hemlock's World's Fair tapped into the theme for an attendance boost (see ad above) – not that the public wasn't already fired-up to blow off steam at the likes of a country fair.

Name-dropping became an *HF Times* sport, making note of those who'd been held from returning at poetic moments, but eventually managing to get on home. Among others, late returnees included, Ralph Parmelee, Ollie Mattern, Dana Brooks (our first Naval submarine man), and Ronald Burton (who fought with Canada's Victoria Rifles), but not Ivan Lord, who re-enlisted, only to return later, via hospital ship, with a disease that slowly killed him.

A small clipping from the July 1st, 1920 *Times*, was entitled: "LAST SERVICE FLAG TAKEN DOWN. Unless we are greatly mistaken, the only remaining service flag in the village was taken down last week, when Albert Cooper, son of Mrs. William Cooper of this village, returned to his home with over two years service to his credit. (Sadly, his father died while he was overseas.)

'Coop' enlisted in the regular army before the war broke out and later participated in some of the most severe fighting in France. When the armistice was signed, he was among those sent into Germany with the

Albert, better known as "Sparrow," was a welcome addition to the town baseball team, too. Honeoye Falls' "Husky Farmers" enjoyed his big bat and solid infield play throughout the '20s and well into the 1930s.

generations in the future. Base hospitals, set up for the immediate care of war casualties, brought singles working together for extended periods.

Others, left behind on the home front, felt an unexplained tingle, like a siren, drawing them to the altar. Thus, akin to the writer's parents at the outbreak of WWII, the sheer contagion of patriotism translated into accelerated wedding plans – or delayed betrothals that had reached warp speed once the couples reunited.

Noted in the April 11th installment of this series, the aforementioned Ida Hibbard (HFHS Class of 1910) met and fell in love with Howard Spillers at a base hospital in Vichy, France. That love blossomed into marriage. Once they returned to the states, the local *Times* made it clear that Uncle Sam and the Kaiser played Cupid in their lives.

Excerpts from under the bold front page headline, "**OVERSEAS NURSE MARRIED**," included: "... a military wedding, the decorations being red, white and blue, with flags and bunting, and vows exchanged beneath a canopy of national colors. The bride and groom, as well as their attendants, were in full uniform, and, at the wedding dinner following the ceremony, the military effect was carried out in the decorations on the tables."

Henry William Schuth was born in Germany November 11 in the year 1866. His future bride, Ida Marie Kasisska was also born in Germany on August 19 1866. They met and were married October 11 in the year 1888. Pictured on the left is Ida and Henry in front. Back row is Louise, George, Irma and Minnie. Oldest child is Louis, inset. Right picture is the first unrecorded Annual Schuth Reunion in 1918. Back row, Louis Schuth, Minnie Schuth Harloff, George Schuth, Louise Schuth Kossow and Henry Schuth. Middle row, Myra Kossow Schuth, Irma Schuth Joint & Ida Schuth. Front row on Myras lap is Carlton Schuth.

Schuth Family collage (courtesy of Harold Joint)

Coincidentally, the writer discovered that our hero, George Schuth, and his beloved, Alma Shraeder, were united in marriage on February 13th, 1920... the same day at virtually the same time as the Spillers! While Ida and Howard were making their vows at her aunt's home near West Bloomfield, the Schuths were exchanging "I dos" a few miles away, at the Shraeder homestead just north of Mendon's four corners.

Similarly, the Schuth wedding presented a patriotic color scheme of red, white and blue, since the groom had previously shot off cannons with the American Expeditionary Force. This ceremony, however, had a more distinctive family appeal.

The matron of honor was the bride's sister, Mrs. William Grube, and the groom's brother, Louis Schuth, was his best man. Meanwhile, Louie's son, Master Carlton Schuth, served as ring bearer, and a niece of the bride, little Alva Shraeder (later Mrs. Clayton Schumacher), was the flower girl. The Rev. Paul Rhode, pastor at St. Mark Lutheran Church of Mendon, officiated the single ring ceremony, while the wedding march was played by Alma's mother, with violin accompaniment by Carl Kossow, George's brother-in-law.

During the wedding dinner, Miss Adelaide Meise, a former member of the Kodak High School Glee Club, but with no known relation to the happy couple, sang "At Dawning (I Love You)." (Some four years later, however, Adele married Carl Shraeder, Alma's brother. You don't suppose they met at the wedding?) Subsequently, George and Alma commenced their honeymoon on the Lehigh Valley Railroad, followed by a return to take up life-long residence in Mendon.

For better or worse, the Spillers and Schuths were cogs in a new wave that had yet to be called "The Roaring Twenties." According to one source, *History.com*, the decade of 1920 through 1929 was: "... an age of dramatic social and political change. For the first time, more Americans lived in cities than

on farms. The nation's total wealth more than doubled, and this economic growth swept many Americans into an affluent, but unfamiliar 'consumer society.'

"Consumer society" notwithstanding, please forget the Memorial Day sales (at least for a few hours) and recognize what **Memorial Day** is truly all about.

LCS softball picks up victories

BY DONNA MACKENZIE

The Lima Christian Varsity Softball team went 4-0 in recent action, needing a rally to win in one of them.

LCS routed Young Women's College Prep 22-3 on May 2. The Lady Saints scored in every inning. Sophia Garlock paced the team with four hits. Leah Herring whacked three hits. Ellie Easton cracked three hits, including a double and a triple. Emma Mincer finished with two hits, Becky Tillapaugh two, Mariah McGuire two, Ashley Kenney two, Megan Trezise one and Sunny Wu one. McGuire pitched the entire game and struck out nine.

"Mariah's control was spot on and she did a really nice job," coach Val Coykendall said. "The defense also played well behind her."

The Saints edged Northstar 3-2 on May 6. Lima Christian trailed 2-1 after two innings, but tied the game with a run in the fifth and plated the game-winning run in the sixth inning. Trezise had two hits, both doubles. Mincer added one hit, Kenney one and McGuire one. McGuire pitched another complete game with nine strikeouts.

Lima Christian overwhelmed Northeast Douglas 18-1 in the first game of a doubleheader on May 7. The Lady Saints pushed across six runs in the first inning to propel them to the win. Easton banged four hits. McGuire cracked three hits, including a double and a

home run. Tillapaugh knocked out two hits, including a triple. Trezise chipped in two hits, Herring two hits and Kenney one hit. McGuire earned the win with five strikeouts on the mound.

The Lady Saints shut out Northeast Douglas 15-0 in the second game of the May 7 doubleheader. LCS scored four runs in the first inning. Trezise

had a great game with three hits, including a triple and a home run. Easton also walloped three hits. Herring and Mincer both laced two hits with each one having a double. Tillapaugh also ripped two hits with one being a double and McGuire one hit. Easton (one strikeout) and McGuire (three strikeouts) shared pitching duties.

"I was really pleased with the results," Gardner stated.

The performances at the county meet followed on the heels of several outstanding performances by the Cougars. Although not an event at the county meet or sectionals, the sprint medley relay quartet of Turner Kamm, Zac Meacham, Tvrdik and Jack Hulsey finished second with a school record time of 4:01.50 at the Victor Invitational two weeks ago. The sprint medley relay features the first runner running 800 meters, the second runner 200 meters, the third runner 200 meters and the final runner 400 meters.

HF-L competes at the Section V Class B Championship at Campbell-Savona on May 25.

REVOLUTIONARY RESEARCH REGARDING RUSH

BY DEB AND TIM SMITH

Last fall we did a series of articles on the bygone hamlets of Mendon. We received lots of positive feedback, as well as requests to branch out and take the same approach with some neighboring towns. The hamlet history of Rush seemed ripe with tantalizing potential so let's go there next. Right now we're going to pull out of our driveway, turn left on Rush-Mendon Road, and head west from one historic hamlet to another.

Before we start, we want to extend a solid shout-out to the Rush officials who contributed so greatly to this project, namely Librarian Kirsten Flass, Historian Sue Mee, Town Supervisor Cathy Frank and former Industry chaplain Reverend Charles Grimm. Their names will appear throughout this series but we would have been remiss to start without mentioning them.

WAR TIMELINE ~ As we researched this piece, one thread emerged as an interesting motif with which to weave these whimsical and wondrously timeless tales. It occurred to us that the major American Wars in U.S. history seem to quirkily coalesce with the Rush hamlet historical highlights and milestones.

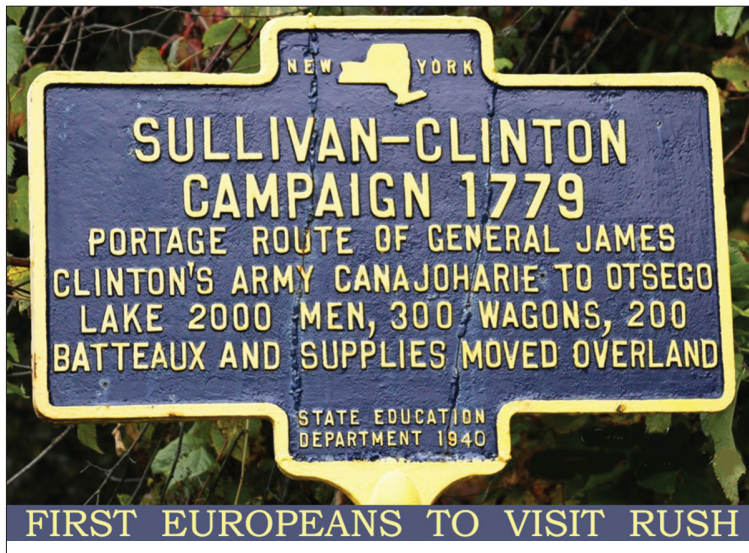

FRENCH AND INDIAN WAR (1754-1763) ~ As we initiate our coverage of the history of Rush, obviously the first humans to tread upon the land were the Indians. The first white men to set foot in Rush were French, accompanied by the Seneca Indians. The first map of the area, drawn by explorer Samuel de Champlain, clearly shows the point where Honeoye Creek flows into the Genesee River.

While obviously neither body of water was named at that time, the map does clearly establish the fact that the French were in Rush. For the record, "Golah" is the geographic name for the point where Honeoye Creek, flowing in a westward direction, comes to a "T" with the Genesee River. We will be back with some never-before-seen pictures of this next week.

REVOLUTIONARY WAR (1775-1783) ~ The Revolutionary War was absolutely critical to the history of Rush. During the Revolution, in 1779, George Washington ordered soldiers of the Colonial Army to embark upon the Sullivan-Clinton Expedition with the goal of expelling from Western New York the Seneca Indians, who had aligned themselves with the British. The Sullivan-Clinton Expedition was successful on two levels; one immediate, one more eventual.

On a short-term basis the Colonial Army succeeded in pushing the Indians further west. And while both these groups, the Army and the Indians, would leave the area after the Sullivan-Clinton Expedition, only one of the groups was destined to return. Many of the first permanent settlers who began to arrive in our area in the late 1780's were Revolutionary War veterans returning to the area which had captivated their interest a decade before.

WAR OF 1812 ~ Rush residents remained restlessly rattled during the War of 1812. British Warships were lurking on Lake Ontario at the mouth of the Genesee River, and the British Indian allies were burning and pillaging

not too far west of the Genesee River. While it was still six years before Rush would even officially become a town, the residents of the early hamlets had to feel the fear of recent history closing back in upon them.

The land upon which they were living had once been Native American Indian land and these Indians, who had been pushed back to Canada during the Revolutionary War, were creeping back in from the west. The land upon which they were living had also once been part of a British colony and British warships were docked upriver, only about 25 miles away.

CIVIL WAR (1861-1865) ~ This was a time of relative calm, at least in Rush homes that were 275 miles away from Gettysburg, the closest that war ever came to threaten us. In the mid-19th century the hamlets of Rush were not as intimidated by the Confederate Army during the Civil War as they were by the British Army during the War of 1812. The hamlets were flourishing and the town sent many soldiers to fight for the cause of freedom and keeping the nation whole.

SPANISH AMERICAN WAR (1898-1900) ~ In 1898 the U.S. government was secretly planning to find a way to lure Spain into a war in order to turn the Spanish territories in the Caribbean and Pacific into American territories. At the same time, the City of Rochester began quiet plans to buy a large parcel of land in Rush in order to move the city's reform school from Edgerton Park to what would

become the New York State Agricultural & Industrial School, or "Industry" for short.

At times it becomes appropriately incumbent upon us to honestly reflect upon the motivations of our governments, even if the logical conclusion of those reflections is not flattering to the governments involved. The questionable governments referred to in our story right here are the City of Rochester and the United States of America.

ROCHESTER VS. RUSH ~ The City of Rochester, in purchasing 1,502 acres in Rush to relocate the largest reform school in western New York, had a few ways in which they could positively spin the story. Publically espoused was the theory that a rural setting would be better for the boys. But how hard is it to see through that one? If the boys aren't escaping, what difference does the surrounding setting make?

What the city was really looking for was an opportunity to dump its problem on an unsuspecting rural neighbor with the dual purpose of freeing up the land to build Edgerton Park. That park, Edgerton Park, would become the centerpiece of the city's social life from the 1910's through the 1940's. It was the home of the early NFL's Rochester Jeffersons and the NBA's Rochester Royals.

For the Town of Rush, the sale of the acreage did provide a temporary financial windfall, but in retrospect it may have been a short-sighted cash grab

WITH REVEREND GRIMM & SUPERVISOR FRANK

from a wolf in sheep's clothing. If they had waited half a century, one of the Wegmans probably would have been knocking at the doors of the Town Hall with a much better offer.

WORLD WAR I (1914-1917) ~ This was essentially a quite positive period in the history of Rush. Based upon an innovative approach to educate and reform troubled teens, Industry was successfully acclimating itself within the environment of the Town of Rush. The *Honeoye Falls Times* was writing rave reviews, on an annual basis, about the Industry Fair. This was a yearly event which showcased student talents in the fields of art, horticulture, and farm life.

WORLD WAR II (1941-1945) ~ After the war, the educational concept of school centralization hits home and the Rush and Henrietta school districts merge into one. A vote for that same concept had failed in 1935, but the first vote after the war, in 1946, resulted in a resounding approval of 563-115. Rush-Henrietta Central School hereby officially established itself as an academic and athletic powerhouse in Monroe County.

VIETNAM WAR (1960-1975) ~ In 1971, things were taking a turn for the worse for the United States in the Vietnam War. The writing was on the wall for the beginning of the end. Any time your country loses a war for the first time in its history, it's a tough pill to swallow.

The Town of Rush found itself swallowing hard in that same year for reasons unrelated to the Viet Cong. It was during this year that the school at Industry came under the jurisdiction of the New York State Division for Youth. Significant changes were made, mostly for the worse.

The home-style cottages were replaced by brick dormitory barracks. The live-in house parents were replaced by three shifts of youth workers. The work-trade training opportunities were removed from the curriculum.

Shortly after this changeover, the population assigned to Industry began to shift from boys who had committed misdemeanors to those who had committed more serious crimes. Attendees went from frightened mischievous boys to more troubled individuals and, in many cases, hardcore criminals.

For understandable reasons, friction between Rush and Industry increased during this time. The NIMBY factor (Not In My Back Yard), which was virtually nonexistent in 1902 when Industry started up, had become much more prevalent by 1971 when the situation at Industry was heading south.

Next week we will be back with some pictures of Golah never seen by anyone in the world, except for the core group working on this historical Rush project.
